Sri Swamini Mayatitananda (Maya Tiwari)

Voice of the Experts

"I have been inspired by the work of Mother Maya for many years. Her latest book, Women's Power to Heal, is a masterpiece of women's wisdom and power."

-Christiane Northrup, MD Author of Women's Bodies, Women's Wisdom (Bantam, revised 2006)

"There is no greater testimony to Mother Maya's efficacy as a healer than her own miraculous triumph over ovarian cancer 30 years ago and no gift more generous than the sharing of her path to divine wholeness within these pages."
